

## PET WESTLAKE JARS

The 8-ounce and 12-ounce Westlake Jars are straight-sided two-stage PET jars manufactured with a spin-trim process; they are ideal for salts & spices, grated cheeses, nut butters, honey, or other specialty foods. The 32-ounce jar has ribs on its sides and is commonly used for mayonnaise, marinades and sauces.

Size	Base Part Code	Overflow	Neck Finish	Case Pack	Weight	Height x Diam.	Process
8oz	008-060	262.0ml	58-400	280/T	25.0g	4.261 x 2.310	RHB
12oz	012-077A	390.0ml	63 Special	225/T	24.5g	4.650 x 2.690	RHB
32oz	032-039	985.0ml	70-470 Tall H	120	38.0g	6.463 x 3.800	RHB

## PET MASON JAR

The 16-ounce PET Mason Jar features a spin-trim, 70mm “glass” finish that is designed to be paired with metal closures. It can be used for hand soaps and body lotions paired with a pump dispenser, or for condiments, honey, and other specialty foods.

Size	Base Part Code	Overflow	Neck Finish	Case Pack	Weight	Height x Diam.	Process
16oz	016-104D	519.0ml	70-470	TBD	32.6g	4.741 x 3.020 x 3.020	RHB

## PET RIDGE OBLONG

The PET Ridge Oblong is an 8-ounce, faceted bottle with label panels on the front and back sides. It is most commonly used for sauces and marinades, mustard, tartar sauce and honey.

Size	Base Part Code	Overflow	Neck Finish	Case Pack	Weight	Height x Diam.	Process
8oz	008-076A	286.0ml	38-400	275/T	19.5g	5.250 x 2.671 x 1.925	RHB
