INTRODUCING **SOAPMATE™**

OUR **NEW**

28mm Hinged Dispensing Closure

www.packaging-usa.com

Soap and household care products deserve packaging that works as hard as the formulas inside. That's why we're excited to introduce **SoapMate™**, newest hinged dispensing closure designed for liquid dish soap, hand soap, body wash, shampoo, conditioner, and household cleaners.

Why SoapMate™?

- ✓ Mess-free dispensing for a cleaner consumer experience
- ✓ Convenient one-handed flip-top operation
- ✓ Reliable reseal for secure storage between uses
- ✓ Modern design that elevates the package appearance
- ✓ Optimized for liquid soap and household care applications

Available in a **28mm .400" neck finish** and manufactured from polypropylene, CPS gives brands a practical, consumer-focused dispensing solution built for frequent daily use.

**SoapMate™ - Hinged
Dispensing for
Everyday Care.**
